Principal Skills

Amazon Web Services
DevOps
Cloud Computing

Pablo Valentino

Systems Coordinator at The Walt Disney Company
Argentina

About

I am a person who is constantly growing, looking for new knowledge to contribute to the team where I work.

I adapt easily to all kinds of work ecosystems and changes.

I seek to offer potential and learning capacity in a dynamic team, with a view to the future, which allows me to grow professionally.

Here are some of my knowledge:

Cloud Specialist.

DevOps.

High availability.

AWS.

Azure.

Networking.

Specialties: Cloud Computing.

Cloud Web Services / On Premise.

Support.

Experience

The Walt Disney Company
Systems Coordinator
marzo de 2019 - Present (2 años)
Capital Federal

- AWS Cloud Engineer
- Azure Cloud Engineer
- DevOps
